742-852-9635

A. Summary

Experienced dental professional with ten years of experience specializing in pediatric dentistry. Knowledgeable about infant oral health exams and preventative dental care for entire family. Strengths include habit counseling for pacifiers and thumb sucking, early treatment of teeth that require straightening, diet recommendations for a healthy mouth, and management of gum related diseases. Recognized for supervisory skills and leadership ability.

B. Working Experience

December/2012 - August/2017 - Zane Complete Dental Health Center - Portland, Maine

Responsibilities:

- Performed examinations of gums using probes, and identified diseased and recessed gums
- Conducted oral cancer checks through the feeling of lymph nodes
- Cleaned stains from teeth and margins surrounding gums
- Worked with patients and their families before and after dental procedures to proactively prevent future tooth decay

Achievements:

- Established youth dental education program in conjunction with local schools
- Supervised a staff of four junior dentists and five dental assistants

November/2007 - December/2012 - Wilson Family Dental - Portland, Maine

Responsibilities:

- Performed examinations, extractions, restorations, and other routine dental procedures
- Focused client base exclusively on children under the age of twelve
- Designed bridges and space maintainers
- Worked closely with orthodontists and restorative dentists to design appropriate treatments

Achievements:

- Attended team meetings and in-serving training in order to remain up-to-date on best practices
- Wrote and published pediatric guide to oral health for our practice, and shared with local dentists in our area

C. Education and Academic Training

Licensed Dentist, State of Maine

CPR and First Aid Certifications, American Heart Association, Renewed 2016

Post-Doctorate Pediatric Dentistry Certificate, University of Maine, Portland, Maine, 2007

DDM, University of Maine, Portland, Maine, 2006

Bachelor of Science, Biochemistry with Spanish minor, Portland State Community College, Portland, Maine, 2002

D. Job Related Skills

- Ability to handle back-to-back patients
- Skilled in the usage of anesthesia
- Knowledge of teeth cleaning, filling, and root canal procedures
- Proficient in placing tooth sealants

E. General Skills

- Verbal and written literacy in English and Spanish
- Patient and understanding of youngest patients' fears and mood swings
- Professionalism and teamwork skills
