223-258-7710

A. Summary

Compassionate licensed Registered Nurse with Medical Surgical certification. Twelve years of experience in a variety of hospital environments. Skilled in providing patient care to diverse population of patients. Key strengths include loyalty and ability to collaborate with a team. Currently looking for a position that will allow me to focus on the elderly population or women's health.

B. Working Experience

October/2010 - September/2017 - Maria Morgan Memorial Hospital - Frankfort, Kentucky

Responsibilities:

- Changed bandages frequently as part of wound control
- Assessed patients' vitals and collected lab samples
- Ensured HIPPA compliance
- Educated patients on their rights and the potential treatments for their conditions

Achievements:

- Implemented new floor assignments to reduce individual caseload
- Worked with public schools in designing public health materials on the following subjects: cancer, heart disease, and infectious diseases
- Mentored student nurses during their clinicals

May/2005 - October/2010 - Allen Vesper Memorial Hospital - Louisville, Kentucky

Responsibilities:

- Made daily rounds in which patient observation was necessary to determine their health
- Monitored quality control of nursing supplies and medication applicators
- Ensured there was a constant improvement in the quality of my patients' lives
- Informed physicians immediately about any negative or critical situations

Achievements:

- Served as a mentor and coach to new nurses, student nurses, and Certified Nursing Assistants
- Recognized as performing life-saving procedures on a patient while doing rounds in the Emergency Department

C. Education and Academic Training

Bachelor of Science in Nursing (BSN), University of Kentucky, 2005

Certification, Acute Care Nurse Basic Life Support (BLS), American Nursing Association, 2007
CPR and First Aid, American Red Cross, 2016

D. Job Related Skills

- Direct and indirect patient care
- Electronic charting of patient vitals
- IV management
- Assessments
- Medical administration
- Knowledgeable about HIPPA compliance

E. General Skills

- Highly efficient in time management
- Excellent communicator
- Concise written communication
- Ability to remain calm under pressure
- Have considerable compassion for patients' families
