A. Summary

Industrious professional painter with ten years of experience. Expert at preparing the surface area before applying paint. Have worked with multiple indoor and outdoor surface types, including concrete, wood, brick, and vinyl. Have demonstrated abilities to both lead and work as part of a team. Experienced at joint and crack filling, polishing and coating wood, latex paints, and paint removal. Desires a challenging position that will allow me to work with a variety of painting techniques, while pursuing supervisory positions.

B. Working Experience

June/2010 - September/2017 - Grayson's Painting Professionals - Jackson, Mississippi

Responsibilities:

- Cleaned areas in preparation of painting projects
- Produced cost estimates, and worked with customers to determine how to lower their costs to remain within budget
- Performed routine maintenance on all supplies and power equipment
- Made sure brushes and applicators remained clean
- Assisted in loading and unloading of work vehicles

Achievements:

- Prepared and painted twenty rooms over a 6-day period
- Introduced company to motorized applicators, which resulted in an improved work quality

September/2007 - June/2010 - Jackson Paintings and Construction - Jackson, Mississippi

Responsibilities:

- Applied primer, paint, and varnish to indoor surfaces
- Repaired and patched holes prior to painting outdoor surfaces
- Coordinated with other contractors in order to reach specific color needs for the project

Achievements:

- Trained four new painters, and oversaw a non-painting crew of ten on a daily basis
- Suggested new clean-up procedures, which helped eliminate impurities that can affect wet paint surfaces

C. Education and Academic Training

Certification, Technical Painting, Barton Technical School, 2007
Diploma, Williams High School, Jackson, Mississippi, 2000

D. Job Related Skills

- Applying wallpaper and aligning patterns
- Assembling scaffolds
- Coordination of colors
- Filling in gaps prior to painting
- Mixing paints
- Operation of power sprayers and painters

E. General Skills

- Manual dexterity
- Measuring skills
- Problem-solving
- Time management
- Safety conscious
