

# Psychologist Resume Sample 2

---

## **Maria Peterson**

22 Mark Street, New Haven, Connecticut, 98551

*mpeterson@email.com*

753-896-1113

## **A. Summary**

Analytical child psychologist with ten years of experience in play therapy and other juvenile-appropriate intervention programs. Primary area of specialization has been with children ages 1 to 12, but familiarity with inclusion of family members in treatment exists. Wide range of understanding, experience, and skill in dealing with learning disabilities, ADHD, and conditions across the autism spectrum. Skilled in incorporating cultural backgrounds and family environment into treatment plans.

## **B. Working Experience**

**September/2010 - August/2017 - Anderson Mental Health Clinic - Hartford, Connecticut**

### **Responsibilities:**

- Organized, maintained, and completed treatment records
- Led sessions involving play therapy and behavior modification
- Provided counseling for parents dealing with child behavioral issues

### **Achievements:**

- Supervised other therapists and counselors
- Lectured on correct methods involved in play therapy
- Introduced and implemented social skills groups

**January/2007 - September/2010 - Jordan Family Mental Health Clinic - Hartford, Connecticut**

### **Responsibilities:**

- Provided treatment of pre-teens dealing with depression and PTSD
- Conducted autism and neuropsychological assessments
- Led family-oriented sessions to help children express their condition in a safe environment

### **Achievements:**

- Provided training to new child psychology interns
- Conducted research into the importance of play therapy for pre-teens struggling with suicidal tendencies
- Served as a liason to New Haven public schools, providing guidance to teachers and counselors on the autism spectrum and attention disorders

## **C. Education and Academic Training**

Psy.D., Child Clinical Track, University of Hartford, Hartford, Connecticut, 2007

Master of Science, Clinical Psychology, University of Connecticut, Hartford, Connecticut, 2003

Bachelor of Arts, Psychology, Wesleyan University, Middleton, Connecticut, 2001

## **D. Job Related Skills**

- Understanding that children differ from one another, and require different treatment methods
- Professional communication when dealing with parents and families
- Skilled in assessment methods and group therapy
- Capable of administering diagnostic testing for a variety of conditions

## **E. General Skills**

- High levels of empathy for patients
- Fluent in German, Spanish, and English
- Determination to communicate concisely and clearly
- Enhanced problem-solving skills
